ASK THE CAREER ADVISOR (FAQ)

What are the top mistakes candidates make when conducting a job search?

- Lacking professionalism – overconfidence; placing demands on future employer; talking negatively about previous employer/manager
- Not practicing your answers to common interview questions
- Overinflated resumes
- Resume Formatting issues and typos – Tip: make sure your resume is consistent to your LinkedIn profile
- Inability to articulate experiences and projects stated on the resume
- Failing to research the company you are interviewing
- Not being truthful about why you left a company; salary; experiences in your previous job(s)
